

# A Dream Is A Wish Your Heart Makes

F                    C7                    F  
A dream is a wish your heart makes

                         F+                    Bb - D7  
When you're fast a - sleep

         Gm                    D7                    Gm  
In dreams you lose your heart - aches

         G7                    C7  
Whatever you wish for, you keep

F                    C7                    F  
Have faith in your dreams and someday  
         F7                    Bb D7 Gm

Your rainbow will come smiling thru  
         Bb                    Bbm

No matter how your heart is grieving  
         F                    G7

If you keep on be - lieving  
         Gm                    C7                    F  
the dream that you wish will come true
