

A Time For Us

Andy Williams

Gm **Dm** **Eb**
A time for us, someday there'll be
 Bb **Cm** **Gm**
When chains are torn by courage born of a love that's free
 Dm **Eb** **Cm Dm**
A time when dreams so long denied can flourish
 Gm **Dm Gm**
As we unveil the love we now must hide

Bb **F** **Cm** **Gm**
A time for us, at last to see
 Ab **Eb** **Dm** **Gm**
A life worthwhile for you and me

Gm **Dm** **Eb**
And with our love, through tears and thorns
 Bb **Cm** **Gm**
We will endure as we pass surely through every storm
 Dm **Eb Cm Dm**
A time for us, someday there'll be a new world
 Gm **Dm Gm**
A world of shining hope for you and me
